No. WMD 04-08**

Attn: Mr. David Holka, Vice President

**Re: Omni Components Corporation

EPA ID # NHD500023148**

Dear Mr. Holka:

On April 12, 2004, the Department of Environmental Services, Waste Management Division ("DES") conducted an inspection of Omni Components Corporation ("Omni"). The purpose of the inspection was to determine Omni's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Omni was issued Letter of Deficiency No. WMD 04-08 (the "LoD"). Based upon a review of Omni's submittal received on May 21, 2004, DES has determined that your facility has corrected the deficiencies identified in the LoD.

Please be advised that DES will continue to monitor Omni's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Eric K. Abrams or John J. Duclos, Supervisor of the Hazardous Waste Compliance Section at (603) 271-2942. Thank you for your cooperation.

Sincerely,

Kenneth W. Marschner, Administrator
